MEET THE GEMS

Gifts Expressed in Many Styles

Celebrating unique gifts. Understanding challenges.
Making room for every child.

Watch one short story together. Pause or replay whenever you like.
Choose one question and one activity. There is no right answer.
Children may speak, draw, point, move, imagine, watch or skip.

01 The Great Pencil Rescue

ASK: What helps you when you need a pause?

TRY TOGETHER

Draw or point to something that helps you feel comfortable.
It might be a quiet spot, a familiar object or a trusted person.

02 Who Invited the Drummer?

ASK: What do you enjoy doing your own way?

TRY TOGETHER

Try a gentle rhythm by tapping, moving or imagining a beat.
Take turns following each other. Listening counts too.

03 The Surprise Party Guest

ASK: What makes you unique?

TRY TOGETHER

Draw a strength, interest or something you enjoy.
Then ask: How could we help someone else feel welcome?

Try saying: "I am glad you shared that. Your gifts belong here."
Optional faith reflection: "God made me. I belong.
It is okay to be different."
